

Fully Funded **FREE** Bereavement Training for Secondary Schools

Supporting bereaved children
and young people in schools

**1-hour in-house training
session for all school staff**

Topics Included:

- ✓ Understand how children and young people grieve
- ✓ Increase confidence in talking about grief
- ✓ Understand behaviours bereaved students may exhibit
- ✓ How Contact-me can support your school

Recent Feedback

Contact-me is a fantastic programme reaching out to
bereaved students within school.

Secondary School

I found the training very thorough and feel that it
has improved my knowledge of how a child would
deal with the death of a loved one and how to
support them

Primary School
